### *Manners Composite Stocks Named Official Stock and Affiliate Sponsor of the 2023 Precision Rifle Series*

Jackson, TN – Precision Rifle Series (PRS) LLC., the preeminent precision rifle organization in the world, dedicated to the promotion and growth of the sport of competitive precision rifle shooting, is proud to announce Manners Composite Stocks as the Official Stock and an Affiliate Sponsor of the 2023 Precision Rifle Series Season.

As one of the most innovative stock companies on the market, Manners Composite Stocks continues to lead the industry with cutting-edge designs that competitors of all calibers and skill levels rely upon. Their incredible generosity year after year to the entire precision rifle community is truly humbling. "The entire team at Manners is second to none in every way and we could not ask for a better partner for the 2023 season," said PRS Director Ken Wheeler.

Constantly soliciting feedback from shooters, more than any other brand, Manners has built an impeccable reputation within the PRS community. As one of the most trusted brands for a long time, Manners Composite Stocks is the industry leader when it comes to manufacturing super strong, stiff, lightweight stocks. Manners' line of products includes tactical, hunting, and World Record holding competition stocks. Their stocks are designed with the ultimate goals in mind: ruggedness, stability, accuracy, and ergonomics. Built to exceed any type of abuse you can put it through, every Manners Stock is backed with a lifetime 100% satisfaction guarantee.

Manners Stocks continues to introduce, refine, and develop new products to promote growth within the industry. Manner's PRS-TCS stock, a highly adjustable stock with weight tuning features and a low-profile fore-end for a lower center of gravity, has taken PRS firing lines by storm. It has proven to be the perfect hybrid between the classic Manners stock with all the adjustability and tuning features that you find in a top-of-the-line PRS chassis.

A long-standing pillar within the PRS, Manners has supported our shooters and competitions at every level since the inception of the series. Tom Manners has been instrumental in the success of the largest Precision Rifle Series competition in the world, the Bushnell Tactical GAP Grind Pro/Am, creating the "give back program" to help grow the community by providing an "amateur" competitor with a "pro" donated stock including fitting and adjustments to suit the needs of the amateur. Their support of PRS prize tables, sponsorship of match lunches, and more custom-built rifle giveaways than we can count are unparalleled. Look for Manners as a primary sponsor of the elite PRS AG Cup Series again during the 2023 season.

The PRS also looks forward to working with the Manners team to successfully leverage the partnership to directly support membership, elevate national pro series competitions, and grow the sport. The PRS will host 40+ of the most renowned national-level precision rifle competitions in the nation, with the 2023 PRS Finale taking place November 3-5th in Medicine Lodge, Kansas at the Twin Peaks Rifle Club, where Manners will be sponsoring the event.
