

FOR IMMEDIATE RELEASE**CADEX DEFENCE NAMED AFFILIATE SPONSOR FOR THE 2023 PRECISION RIFLE SERIES SEASON**

West Bend, WI – Precision Rifle Series (PRS) LLC., the preeminent precision rifle organization in the world, dedicated to the promotion and growth of the sport of competitive precision rifle shooting, is proud to welcome Cadex Defence as an Affiliate Sponsor of the 2023 Precision Rifle Series Season.

"We are proud to have Cadex Defence partner with us for the fourth year in a row and we look forward to supporting Cadex Defence's overarching commitment to providing precision rifle competitors with exceptional capability and performance!" said PRS owner and Director, Ken Wheeler.

Cadex Defence is a prominent leader in the sniper and long-range shooting community, where reliability and precision play a crucial role. For more than 15 years, Cadex Defence has provided their customer's complete service, from design and prototype to full production capability. Cadex Defence offers PRS shooters a wide range of products and manufactures everything in-house from their fast-cycling CDX-R7 4 lug 50-degree bolt throw action, chassis systems, DX2 EVO selectable two-stage or single-stage triggers, bipods, muzzle brakes, and scope mounts.

This season we look forward to the CDX-SS SEVEN S.T.A.R.S. PRO rifle, the latest addition to Cadex's growing line-up of products intended for PRS shooting. It is the ultimate rifle for professional shooters aiming for the championship, as much as for persevering amateurs dreaming of podiums at regional matches. The CDX-SS PRO combines the SEVEN S.T.A.R.S. (Sport and Tactical Application Rifle System) action with the STRIKE PRO chassis and legendary Bartlein® 5R single-point cut technology barrel. The CDX-SS SEVEN S.T.A.R.S. PRO delivers amazing accuracy right out of the box and is packed with all features needed for positional shooting games where every second matters. Engineered to reliably ignite small and large rifle primers, it is available in most top-performing Open and Tactical class short-action calibers as well as in 223 Rem for affordable training.

This competition rifle features a 17 in. long built-in Arca Elite System (AES) rail, 10 M-LOK mounting slots at 3, 6, and 9 o'clock, a barricade stop, the PRO folding tool-free adjustable rear stock, a multi-position adjustable trigger guard, tunable height ambidextrous extended magazine latch and rubberized vertical grip. Popular optional items such as M-LOK weights, right/left thumb rest, and full-length night vision bridge can be purchased separately.

This year Cadex Defence will be an Affiliate PRS sponsor supporting the series in addition to being a primary sponsor of the PRS AG Cup Series, home to the ten most elite matches in the country. Be on the lookout for the Cadex team at PRS matches.

The PRS also looks forward to working with Cadex Defence to successfully leverage the partnership to directly support membership, elevate national pro series competitions, and grow the sport. The PRS will host 40+ of the most renowned national-level precision rifle competitions in the nation, with the 2023 PRS Finale taking place November 3-5th in Medicine Lodge, Kansas at the Twin Peaks Rifle Club, where Cadex will be sponsoring the event.
