

FOR IMMEDIATE RELEASE

GA PRECISION NAMED AFFILIATE SPONSOR AND THE PRESENTING SPONSOR OF THE MIDWEST AND GREAT LAKES REGION FOR THE 2023 PRECISION RIFLE SERIES SEASON

West Bend, WI. – Precision Rifle Series (PRS) LLC., the preeminent precision rifle organization in the world, dedicated to the promotion and growth of the sport of competitive precision rifle shooting, is thrilled to have GA Precision as an Affiliate Sponsor of the 2023 Precision Rifle Series Season and as the Presenting Sponsor of the Midwest and Great Lakes Regional and Rimfire Series.

We are beyond proud to officially announce our 2023 partnership with GA Precision as an Affiliate Sponsor of the Precision Rifle Series and the Presenting Sponsor of the Midwest and Great Lakes Region for the fifth year in a row! As one of the most sought-after rifle builders in the PRS for more years than anyone can remember, GA Precision continues to dominate the market as one of the most consistently performing rifles on our firing lines. GA Precision is the standard against which all other PRS rifles are measured.

GA Precision (GAP) is perhaps the largest name in the custom rifle business and needs no introduction. With more than 20 years in the business, GAP has more tactical and precision rifle-building experience than just about any gunsmith in the industry. They have an extraordinary reputation in the precision rifle world and are known for consistently manufacturing some of the most accurate rifles in the industry. GA Precision has been directly involved in the PRS community since its inception and continues to listen to the needs of PRS shooters, bringing exceptional rifles to the firing line year after year. In 2021 George Gardner was awarded the 2021 PRS Lifetime Achievement Award for his contributions to the Precision Rifle Series over the last decade.

The team at GA Precision never rests and continues to provide top-of-the-line rifles along with a multitude of other respected products to the PRS community. In recent years they turned heads and invigorated the PRS Production Division with the introduction of the GAP PPR (Pinnacle Production Rifle). The PPR features GAP's PPR 3 Lug Action by Curtis Customs with a 20 MOA Rail 26" Bartlein 1-7.2 twist, 6mm MTU+ contour threaded 5/8x24, on a Manners T2-A GAP stock, Manners Mini Chassis, in Midnight GAP Camo and is available in right or left-handed. The GAP PPR has quickly become one of the most popular production guns on PRS firing lines. George Gardner and the team at GA Precision are one of the powerhouses behind the growth of the sport and we could not be more grateful to have their support.

GA Precision will again partner with the Bushnell Elite Tactical Team to host the Bushnell Elite Tactical GAP Grind Pro/Am, held at K&M Precision Rifle Training, in Finger, TN on September 30th – October 1st, 2023. The Bushnell Gap Grind Pro/AM is hands down the most sought-after national level Precision Rifle match in the nation, where over 400 shooters gather each year to form Pro/Am teams and introduce new shooters to PRS competition. George Gardner will again lead the PRS Pro Series Hornady Precision Rifle Challenge as the MD alongside longtime friend and GA Precision teammate Bryan Sikes. This highly anticipated AG Cup Qualifier will be held June 23-24th in Utah, close to the Wyoming border, on a breathtaking 200,000-acre private ranch.

GA Precision is a primary sponsor of the PRS AG Cup Series, a series designed for the elite within the competitive shooting community and home to ten of the most competitive PRS matches in the country. They will be supporting 40+ Pro Series matches with gift certificates this season in addition to putting several custom rifles on prize tables.

The PRS also looks forward to working with the GAP team to successfully leverage the partnership to directly support membership, elevate national pro series competitions, and grow the sport. The PRS will host 40+ of the most renowned national-level precision rifle competitions in the nation, with the 2023 PRS Finale taking place November 3-5th in Medicine Lodge, Kansas at the Twin Peaks Rifle Club, where GA Precision will be sponsoring the event.
