

MDT SPORTING GOODS NAMED AFFILIATE SPONSOR OF 2023 PRECISION RIFLE SERIES SEASON

West Bend, WI– Precision Rifle Series (PRS) LLC., the preeminent precision rifle organization in the world, dedicated to the promotion and growth of the sport of competitive precision rifle shooting, is thrilled to have MDT Sporting Goods as an Affiliate Sponsor of the 2023 Precision Rifle Series Season.

"We are excited to continue our partnership with MDT as an Affiliate Sponsor of the Precision Rifle Series during the 2023 season! The dynamics and drive the team at MDT bring to the PRS community makes them exceptional partners and we look forward to working alongside them," said PRS Owner and Director Ken Wheeler.

The MDT team never ceases in their development of chassis systems and accessories to enable PRS competitors to customize their bolt action rifle systems. MDT's recent launch of the ACC Elite Chassis System, designed for the competitive shooter focuses on MDT's integrated modular weight system and achieves instinctual point-and-shoot control through perfect balance. Elite PRS shooters will find targets faster and be more precise. We are excited about the updated forend and buttstock which allows for modular weight adjustment and fine-tuning of shooters' balance points, ensuring that top-tier shooters reach the podium. Built for the elite competitor, the MDT ACC Elite Chassis System is an advanced fusion of design, engineering, and industry expertise. It's the most elite competition chassis on the market, providing an edge in control, speed, and stability for our top-tier shooters. The unmatched balance, recoil control, weight management, and utility, will allow elite PRS shooters to shave seconds off stage times and get more rounds on target.

MDT team shooters Chad Heckler, Allison Zane, Jake Millard, Keith Baker, Francis Colon, Mike Lilly, Andy Slade, and Matt Stiner all shot incredibly well at the 2022 PRS Finale earning top honors across multiple categories and divisions. Once again Allison Zane claimed 2022 Top Lady shooting her MDT ACC Chassis and Jake Millard brought home 2022 Top PRS Junior rounding out a very successful PRS season for Team MDT.

This year, MDT will continue to have the match van on the scene, traveling across the country, being present for range days, assisting, and vendor days. The van is equipped with products for the hands-on experience as well as support to a shooter if an issue arises during a competition.

The 2023 MDT Frostbite PRS Pro Series Competition, with long-time PRS match director Adam Leonberger, kicked off on February 18th in Butlerville, Indiana. This early-season match will be one to mark your calendars for years to come! MDT will also be a primary sponsor of the PRS AG Cup Series, a series designed for the elite within the PRS competitive shooting community and home to ten of the most prestigious PRS matches in the country.

The PRS also looks forward to working with the MDT team to successfully leverage the partnership to directly support membership, elevate national pro series competitions, and grow the sport. The PRS will host 40+ of the most renowned national-level precision rifle competitions in the nation, with the 2023 PRS Finale taking place November 3-5th in Medicine Lodge, Kansas at the Twin Peaks Rifle Club, where MDT will be sponsoring the event.
